Proposed Benefit Structure (continued)

Benefits are provided on a group policy basis.

Plan can be run on an “any time” basis, with members joining mid-term. When an existing employee joins on this basis, a qualifying period of one calendar month will apply before they will qualify for treatment. No premium will be due for this month. Where a member joins who is a new employee to the company and who hadn’t previously declined the opportunity to join, they shall not be subject to the qualifying period.

All benefits are fully international in coverage, allowing the member complete freedom as to where and when to seek treatment.

No need to change practitioner

Claims process is paperless, driven by a secure online app

Premium payable monthly or annually by Direct Debit or BACS

Iceni will provide a client bespoke member benefits site for both dental and HCP from which paperless claims may be submitted online and members may access their documents, FAQs etc. This will be white-labeled to the employer to the extent that the employer would wish.
