# Why are Employee Discounts Important?

Our employee discount schemes is designed to help your pay go further, with great savings on everything from grocery shopping to luxury goods.

With key employee discounts giving you savings on everything from supermarkets, days out and travel to essential technology and home improvement, this really is an inclusive benefit that is sure to help your bank balance over the course of the year!

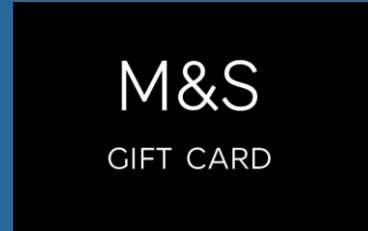

Different types of discounts include:

- 1. Vouchers:** Exclusive coupons for specific items or experiences. That can mean meals at a trendy restaurant, or a day of pampering and self-care at a nail salon.
- 2. Discount codes:** These are special codes for online shopping you can punch in during checkout, shaving a few pounds off your total bill.
- 3. Cashback:** You receive a small percentage amount of your money back and it makes its way back into your bank account.

Advantage Rewards allows you access to a wide range of negotiated discounts provided by a wide range of well-known and respected high street retailers, museums and days out, lifestyle providers and travel and accommodation providers – all designed simply to save you money!
